If you have little or no insulation in your home, up to 40p in every £1 of heat you pay for could be escaping before you feel warm. Hold this thought.

You can fix this. Insulation offers an amazingly cost effective solution.¹

Oxfordshire homeowners and private tenants can now get cavity wall and loft insulation fitted at a standard cost of just £99 for each job.² If you are aged 70 or over, or receive means-tested benefits, you may even get the work done free.

The £99 offer is so good you could make your money back in energy saving within 12 months, then continue making substantial year on year savings.

For more, call Cocoon free on 0800 8048 777 and ask for the 'Oxon Deal'. Lines are open 9am–9pm, Monday to Friday.

1 Average annual savings of £115 from installing cavity wall insulation and up to £150 from installing 270mm of loft insulation (Source: Energy Saving Trust 2010)

2 Normally £150 - £500. Offer subject to funding and survey. You may have to pay more if your property is larger than average for the number of bedrooms, or access to walls or loft is restricted or extra vents are required.
