Saving you Money by Saving the Planet

Who are we?

- Your Business Footprint Ltd was set up to help businesses save money by achieving a reduction in carbon emissions.
- We are experienced business people who have been trained as CO₂ Auditors by BRE Global.
- BRE Global Limited have been providing certification for over forty years offering certification of fire, security and sustainability products and services to an international market. (See www.bretrust.org.uk)
- BRE are advising government on the sustainability and carbon footprint of the London 2012 Olympics.
- BRE provide independent certification of our audits and ensure that we work to a very high standard.

Saving you Money by Saving the Planet

Specifically for SME's

- We need to start somewhere and millions of sme's working together will have a huge impact.
- To be able to achieve reduction in your carbon emissions you have to know where you are now.

Saving you Money by Saving the Planet

What is a Certified Carbon Footprint Assessment?

- Subject to 'boundary conditions' (size of premises, number of employees etc)
- Energy use
- Staff commute
- Business travel
- Greenhouse gas emissions
- Home workers
- A full walkthrough check
- Electric motors, Boilers, Light Fittings

Saving you Money by Saving the Planet
